ORDER

These are appeals by the revenue against the respective orders of the CIT(Appeals) and the cross objections are by the assesseees in the respective appeals. All these appeals call into question correctness of the relief granted to the taxpayers by the Commissioners of Income Tax (Appeals) and, most importantly, the tax effect involved in all these appeals does not exceed Rs. 50,00,000 in each of these appeals. The cross objections taken up for hearing are only such cross objections as emanate from these appeals and are broadly in support of the orders passed by the Commissioner (Appeals). In these cases, individual notices to the Assesseees are dispensed with; notices of hearing are given only through the notice board to the Assesseees and the office of the DR was given notice of list of these appeals.

2. In the light of the CBDT Circular dated 8.8.2019, the appeals by the Revenue have to be dismissed as the tax effect in all these appeals are less than Rs.50 lacs. Though the DRs attempted to point out that some clarifications are required on some of the appeals to calculate the tax effect, we are of the view that if liberty is given to the Revenue to point out, upon necessary further verifications, and to seek recall the dismissal of appeals and restoration of the appeals, then the grievance of the revenue would be addressed. Similarly, if the revenue can demonstrate that the appeals are covered by the exceptions, and are inadvertently included in this bunch of appeals, wherein the tax effect, in terms of the CBDT circular (supra), in that even the revenue can apply for recall of the order in such appeals. The ITAT Ahmedabad "A" Bench, in the case of ITO Ward 3 (2), *Ahmedabad Vs. Dinesh Madhavlal Patel and 627 other appeals* vide its order dated 14.8.2019 analyzed the aforesaid Circular of CBDT and has dismissed the appeals of the revenue on the ground that the tax effect in

the said appeals was below Rs.50 lacs. The following were the relevant observations of the Tribunal.

"2. It is in this backdrop that we are pleased to take note of a very pragmatic and taxpayer friendly policy decision by the Government of India for reducing the income tax litigation. Vide CBDT circular dated 8th August, 2019, the income tax department has further liberalized its policy for not filing appeals against the decisions of the appellate authorities in favour of the taxpayers, wherein tax involved is below certain threshold limits, and announced its policy decision not to file, or press, the appeals, before this Tribunal, against the appellate orders favourable to the assessee in the cases in which overall tax effect, excluding interest-except when interest itself is in dispute, is Rs 50,00,000 or less. What it means, in plain words, is that when a Commissioner (Appeals) gives the taxpayer tax relief of upto Rs 50 lakhs in an appeal in an assessment year, the matter ends there and the relief so granted by the Commissioner (Appeals) cannot be challenged before this Tribunal, that when this Tribunal gives the taxpayer relief of upto Rs 1 crore in an appeal in an assessment year, the matter ends there and the relief so granted by the Tribunal cannot be challenged before the Hon'ble High Court, and that when Hon'ble High Court gives relief of upto Rs 2 crore to the taxpayer in an appeal in an assessment year, that relief cannot be challenged before Hon'ble Supreme Court. These monetary threshold limits for filing of appeals by the income tax authorities do not take into account interest and other corollaries of the tax demands being confirmed such as penalties, except when a penalty itself is subject matter of litigation, and prosecutions. The enhancement of these monetary limits is at an unprecedented scale. The monetary limit for appeals before this Tribunal, which was Rs 3,00,000 till 10th July 2014, has been in effect enhanced to almost 1,700% in the last five years. This substantial relaxation is certainly a huge step which signifies trust reposed by the Government of India in the decisions of the appellate forums, and substantially cuts down time taken in the finality of the appellate process. It is indeed heartening to note that in one stroke, the Government has not only prevented, but has, in effect, set the stage for withdrawal of thousands of appeals before this Tribunal and before Hon'ble Courts above. In an environment in which retrospectivity was attached only to the taxation and not to tax reliefs or concessions, such an approach is a pleasant departure from legacy practices.

3. In view of the above factual background and the generous concession by this benevolent CBDT circular, all these appeals must be dismissed as withdrawn and the related cross objections must be dismissed as infructuous. There is, however, a small issue that we must deal with.

4. Smt Aparna Agarwal, learned Departmental Representative, however, has a point to make. She points out that the circular dated 8th August 2019 is not clearly retrospective inasmuch as it specifically states in para 4 that "(t)he said modifications shall come into effect from the date of issue of this Circular". It is thus pointed out that this sentence gives an impression that is only after the date of the said circular that the departmental appeals will not be filed in the cases within the specified tax effect limits. We are urged to bear in mind the impact of this observation while giving effect to the circular dated 8th August, 2019. She, however, hastens to add that she is yet to have any specific instructions on the issue and she leaves it for the bench to take the appropriate call. Learned representatives appearing for the taxpayers vehemently oppose the suggestion implicit in her submissions. All of them are unanimous in their argument that the circular must be held to have retrospective application and must equally apply to the pending appeals as well. Shri J P Shah, Senior Advocate, points out that the circular dated 8th August 2019 is not a standalone circular and it is required to be read with the old circular no. 3 of 2018 which is what it seeks to modify. This circular, according to the learned counsel, only enhances the monetary limits and gives further relaxation. He urges us not to read the circular in a manner so as to nullify the underlying approach and object of reducing litigation. Shri Soparkar, learned Senior Advocate, submits that all that the present circular does is to modify the monetary limits and nothing more, and, therefore, it cannot be treated to follow any other approach other than the approach followed in the old circular. The old circular, beyond any dispute or controversy, categorically applied to the pending appeals as on the date of issuance of circular. Shri Tushar Hemani, learned Senior Advocate, points out that the circular dated 8th August 2019 only gives further relief not only in terms of the monetary limits but also in terms of the manner in which the application of circular to orders dealing with more than one year is to be made. Shri S N Divetia, learned counsel for the assessee, submits that unlike in the cases of earlier CBDT circulars, which used to be in supersession of earlier circulars on the issues, the circular dated 8th August 2019 only modifies the earlier circular which, inter alia, provided for its retrospective application. Our attention is invited to some judicial precedents in support of the contention that the benevolent circular,

such as the one in question, is to be given effect in respect of the pending appeals as well. Ms Urvashi Shodhan, learned counsel for the assessee, points out that its plainly contrary to the scheme of the litigation policy of the Government of India to give this circular only prospective effect. Shri S K Sadhwani, learned counsel for the assessee, invites our attention to the letter dated 16th July 2018 issued by Member CBDT to the all the Principal Chief Commissioners of Income Tax, in the context of circular dated 11th July 2018 that the present circular seeks to modify, seeking report on withdrawal of the appeals covered by the circular. He then points out that it is the old circular is still alive today and the only change is with respect to the monetary limits. In all fairness, therefore, the same approach regarding withdrawal of pending appeals must be followed for this circular as well. On the same lines, arguments are advanced by the learned representatives which, for the sake of brevity and to avoid repetition, we are not referring to in more specific details. In brief rejoinder, learned Departmental Representative graciously leaves the matter to us.

5. Having considered the rival submissions and having perused the material on record, we do not have slightest of hesitation in holding that the concession extended by the CBDT not only applies to the appeals to be filed in future but it is also equally applicable to the appeals pending for disposal as on now. Our line of reasoning is this. The circular dated 8th August 2019 is not a standalone circular. It is to be read in conjunction with the CBDT circular no 3 of 2018 (and subsequent amendment thereto), and all it does is to replace paragraph nos. 3 and 5 of the said circular. This is evident from the following extracts from the circular dated 8th August 2019:

“2. As a step towards further management of litigation. it has been decided by the Board that monetary limits for filing of appeals in income-tax cases be enhanced further through amendment in Para 3 of the Circular mentioned above and accordingly. the table for monetary limits specified in Para 3 of the Circular shall read as follows:

***S.No. Appeals/SLPs in Income-tax matters
Monetary Limit (Rs.)***

<i>1Before Appellate Tribunal</i>	<i>50,00,000</i>
<i>2Before High Court</i>	<i>1,00,00,000</i>
<i>3Before Supreme Court</i>	<i>2,00,00,000</i>

3. Further, with a view to provide parity in filing of appeals in scenarios where separate order is passed by higher appellate authorities for each assessment year vis-a-vis where composite order for more than one assessment years is passed. Para 5 of the circular is substituted by the following para:

“5. The Assessing Officer shall calculate the tax effect separately for every assessment year in respect of the disputed issues in the case of every assessee. If in the case of an assessee, the disputed issues arise in more than one assessment year, appeal can be filed in respect of such assessment year or years in which the tax effect in respect of the disputed issues exceeds the monetary limit specified in para 3. No appeal shall be filed in respect of an assessment year or years in which the tax effect is less than the monetary limit specified in para 3. Further, even in the case of composite order of any High Court or appellate authority which involves more than one assessment year and common issues in more than one assessment year no appeal shall be filed in respect of an assessment year or years in which the tax effect is less than the monetary limit specified in para 3. In case where a composite order/ judgement involves more than one assessee, each assessee shall be dealt with separately”

4. The said modifications shall come into effect from the date of issue of this Circular.”

6. Clearly, all other portions of the circular no. 3 of 2018 (supra) have remained intact. The portion which has remained intact includes paragraph 13 of the aforesaid circular which is as follows:

“13. This Circular will apply to SLPs/ appeals/ cross objections/ references to be filed henceforth in SC/HCs/Tribunal and it shall also apply retrospectively to pending SLPs/ appeals/ cross objections/references. Pending appeals

below the specified tax limits in pare 3 above may be withdrawn/ not pressed.”

7. In view of the above discussions, we hereby hold that the relaxation in monetary limits for departmental appeals, vide CBDT circular dated 8th August 2019 (supra) shall be applicable to the pending appeals in addition to the appeals to be filed henceforth.

8. Learned Commissioner (DR) then submits liberty may kindly be given to point out, upon necessary further verifications, and to seek recall the dismissal of appeals and restoration of the appeals in the cases (i) in which it can be demonstrated that the appeals are covered by the exceptions, and (ii) which are inadvertently included in this bunch of appeals, wherein the tax effect, in terms of the CBDT circular (supra), exceeds Rs 50,00,000. None opposes this prayer; we accept the same. We make it clear that the appellants shall be at liberty to point out the cases which are wrongly included in the appeals so summarily dismissed, either owing to wrong computation of tax effect or owing to such cases being covered by the permissible exceptions- or for any other reason, and we will take appropriate remedial steps in this regard.

9. In the light of the above discussions, all the appeals stand dismissed as withdrawn. As the appeals filed by the Revenue are found to be non-maintainable and as all the related cross-objections of the assessee arise only as a result of those appeals and merely support the order of the CIT(A), the cross objections filed by the assessee are also dismissed as infructuous. Ordered, accordingly.”

3. Respectfully following the aforesaid order of the Tribunal, we dismiss all the appeals of the revenue and cross objections as infructuous.

4. In the result, all the appeals are dismissed and cross objections are dismissed.

Pronounced in the open court on this 28th day of August, 2019.
