आदेश /O R D E R

Per BENCH:

This bunch of 10 appeals filed by different assesseees and the Revenue are directed against orders of learned Commissioner of Income Tax (Appeals), Chennai/Coimbatore, even dated 11.06.2018, 31.03.2017, 14.03.2018, 29.09.2017, 27.10.2017,

29.03.2019, 11.06.2014, 29.07.2016 & 06.10.2016 for respective assessment years.

2. We have heard the counsels for the assesseees and the Id. DR and also perused the material available on record. At the time of hearing, learned counsels for the assesseees have made a statement at bar that the assesseees wants to utilize the Direct Taxes 'Vivad se Vishwas Scheme, 2020' to settle pending dispute relating to Direct Taxes and in this regard some of assesseees have filed form No 1 and 2 and awaiting form no. 3 from the designated authority. In some cases, the assesseees have received form no. 3 from the designated authority and in some cases, the assessee have filed letter and expressed their willingness to file form no. 1 and 2 before the designated authority.

3. The Bench has considered rival contentions of both sides and after hearing both parties, we found that the Government of India has announced in the Budget, 2020, a Direct Taxes 'Vivad se Vishwas Scheme, 2020' to settle pending dispute relating to Direct Taxes at various appellate forums including the First Appellate Authority, Tribunal, High Court and Supreme Court. In this regard, the Scheme has been notified on 17th March, 2020 and became Direct Taxes 'Vivad se Vishwas Act, 2020'. As per the said

Scheme, assesseees are allowed to settle direct tax dispute in a manner and procedure prescribed therein by filing necessary declaration and undertaking. The Scheme has also specified the amount of taxes, interest, and penalty, if any, payable under the Act. If an assessee filed a declaration and pay specified taxes as per the scheme and withdraw the appeal pending before the appellate authorities, the Designated Authority shall pass an order in Form 5 confirming payment made under the scheme and grant immunity from penalty and prosecution.

4. In these present appeals, some assesseees have filed declaration in Form No.1 along with undertaking waiving rights for any remedy in Form No. 2 to the designated Authority and has also received Form 3. In some cases, form no 1 and 2 has been filed and awaiting form no. 3 from the designated authority and in some cases, the assesseees have expressed their willingness to file form no. 1 and 2 and settle their dispute under the scheme. Therefore, once the assesseees intend to file a declaration in Form No.1 along with undertaking and expressed their willingness to settle pending disputes regarding direct taxes, then there is no point in keeping appeal filed by the assesseees. We, further noted that recently the Hon'ble Jurisdictional High Court of Madras has considered an identical application filed by an assessee in the case of M/s.

Nannusamy Mohan (HUF) Vs. ACIT in T.C.A No.372 of 2020 for availing the benefit of 'Vivad se Vishwas Scheme, 2020', where the Hon'ble High Court has dismissed the appeal filed by the petitioner as withdrawn, but allowed liberty to the assessee to restore the appeal in the event the designated authority for any reason reject application filed by the assessee under section 4 of the Act. The relevant portions of the observations of the Hon'ble High Court of Madras vide order dated 16.10.2020 are extracted as under:-

"2. We have heard Mr.M.P.Senthil Kumar, learned counsel appearing for the appellant/assessee and Mr.T.R.Senthil Kumar, learned Senior Standing Counsel and Ms. K.G.Usha Rani, learned counsel for the respondent/Revenue.

3. The learned counsel for the appellant / assessee, on instructions, submitted that the appellant / assessee intends to avail the benefit of Vivad Se Vishwas Scheme (' VVS Scheme' for brevity) and in this regard, the assessee is taking steps to file the application / declaration in Form No. 1.

4. It may not be necessary for this Court to decide the Substantial Questions of Law framed for consideration on account of certain subsequent developments. The Government of India enacted the Direct Tax Vivad Se Vishwas Act, 2020 (Act 3 of 2020) to provide for resolution of disputed tax and for matters connected therewith or incidental thereto. The Act of the Parliament received the assent of the President on 17th March 2020 and published in the Gazette of India on 17th March 2020.

5. In terms of the said Act, the assessee has been given an option to put an end to the tax disputes, which may be pending at different levels either before the First Appellate Authority or before the Tribunal or before the High Court or before the Hon'ble Supreme Court of India. Under Section 2(j) "disputed tax" has been defined. In terms of Section 3, where a declarant means a person, who files a declaration under Section 4 on or before the last date files a declaration to the designated authority in accordance with the provisions of Section 4 in respect of tax arrears, then, notwithstanding anything contained in the Income Tax Act or any other law for the time being in force, the amount payable by the declarant shall be determined in terms of Section 3(a-c) thereunder.

6. The First Proviso to Section 3 states that in case where an Appeal or Writ Petition or Special Leave Petition is filed by the Income Tax authority on any issue before the Appellate Forum, the amount payable shall be one-half of the amount in the table stipulated in Section 3 calculated on such issue, in such a manner as may be prescribed. The second proviso deals with the cases, where the matter is before the Commissioner (Appeals) or before the Dispute Resolution Panel. The third proviso deals with cases, where the issue is pending before the Income Tax Appellate Tribunal. The filing of the declaration is as per Section 4 of the Act and the particulars

to be furnished are also mentioned in the Sub Sections of Section 4. Section 5 of the Act deals with the time and manner of the payment and Section 6 deals with Immunity from initiation of proceedings in respect of offence and imposition of penalty in certain cases. Section 9 of the Act deals with cases, where the Act 3 of 2020 will not be applicable.

7. As observed, the assessee is given liberty to restore this appeal in the event the ultimate decision to be taken on the declaration to be filed by the assessee under Section 4 of the said Act is not in favour of the assessee. If such a prayer is made, the Registry shall entertain the prayer without insisting upon any application to be filed for condonation of delay in restoration of the appeal and on such request made by the assessee by filing a Miscellaneous Petition for Restoration, the Registry shall place such petition before the Division Bench for orders.

8. In the light of the above, We direct the appellant / assessee to file the Form No.1 on or before 20.11.2020 and the competent authority shall process the application / declaration in accordance with the Act and pass appropriate orders as expeditiously as possible preferably within a period of six (6) weeks from the date on which the declaration is filed in the proper form.”

5. In the light of the above decision of the Hon'ble High Court of Madras, and by taking note of the fact that some assessees have already filed declaration in Form No.1 along with Form No.2 to the Designated Authority and received Form 3 and some assessees had already filed form no 1 & 2 and awaiting form no. 3 from the designated authority and also the fact that remaining assessees are willing to file form no 1 and 2 within the due date prescribed for this purpose, we dismiss the appeals filed by the assessees as withdrawn. However, a liberty is given to the assessees to restore the appeals, in the event of the Designated Authority, for any reason reject the application filed by the assessees under section 4 of the said Act. We, further make it clear that in a cases where the appeal is filed by the Revenue and the assessees have for any reason opted out from the scheme or the applicants under the

scheme misrepresents any facts which resulted in rejection of application filed under the scheme, then the provisions of section 4(6) of the Act, shall be applicable to all appeals and in such cases, all the proceedings and claims which were withdrawn under section 4 and all the consequences under the Income-tax Act against the declarant shall be deemed to have been revived. We, further make it clear that the assessee should promptly inform the Assessing Officer about their decision to opt out of the scheme or rejection of application by the designated authority to the Assessing Officer, so as to enable to file miscellaneous application to restore the appeal.

6. In the result, all the appeals filed by the assesseees as well as the Revenue are dismissed as withdrawn.

Order pronounced in the open court on 5th January, 2021 at Chennai.
